Standard **ISO 14001:2015**

Certificate No. 39 104 0201502

TÜV Rheinland Italia S.r.l. certifies:

Certificate Holder: **Manifattura Tubi Gomma S.p.A.**

Via Pigafetta, 10/12  
36040 Grisignano di Zocco (VI)  
Italy

Scope: Design and production of mandrel-built rubber hoses by means of the following processes: purchase and choice of ingredients for raw materials used for the rubber compounds, construction of the hoses on the mandrel using different components for every layer, steam vulcanization of the raw hose, in-process control of the product, cutting to size and assembly of the couplings by crimping. Production of railway material and related accessories consisting of rubber hoses with or without textile plies, insulating materials and tubings made of an elastomer with or without silicone, used for a variety of applications on railway vehicles. Design and production of vibration dampers for the pharmaceutical industry and expandable seals for the onshore and offshore sector.

IAF sector: 14

Proof has been furnished by means of an audit that the requirements according to ISO 14001:2015 are fulfilled. The due date for all future audits is 18-12

Validity: The certificate is valid from 2018-07-26 until 2020-03-10  
First certification 2014

2018-07-27
